Dear Dr. Puls,

Eastern Oregon University (EOU) will accept the Associates of Arts degree which you are authorized to award by the State of Washington. EOU will recognize the AA from Gather 4 Him CC as satisfying EOU's General Education Core Requirements, and your students will transfer into EOU with junior standing.

Please keep us informed about the progress of your accreditation so that we can note it in our records when it occurs. We look forward to serving your students with our pathways to a baccalaureate degree. Please ask your advisors to visit our online pathways website at [https://www.eou.edu/online/programs/!](https://www.eou.edu/online/programs/)

Sincerely,
